

Family Hubs Community Fund

**Applications for up to
£10,000 are now open!**

**family
hubs**

The Family Hubs Community Fund is designed to support local communities in Norfolk by providing grants to organisations, individuals and community groups who support families with children from conception to 19 years old (25 with SEND).

By enhancing community provision and improving access to services, the fund aims to encourage the development and expansion of community groups and activities that promote wellbeing, social networks, and developmental milestones for children, teens and young adults.
