UPDATE: Important roadworks information
A47 Blundeston Roundabout to Gunton Roundabout - resurfacing

Dear Customer

I'm writing to let you know that we need to carry out a return visit to repair a broken manhole cover between Blundeston Roundabout and Gunton Roundabout. This repair will help keep your journey smooth and reliable.

We plan to complete this work over **one** night on **Tuesday 2 December 2025**. Work will be carried out between **8pm** and **6am** only, weather permitting.

Closures and diversions

To carry out the work safely, we will need to close the A47 between Blundeston Roundabout and Gunton Roundabout, and divert traffic as follows:

Traffic wishing to travel southbound from Blundeston roundabout will need to:

- Exit the A47 and take the third exit onto Millennium Way (A12)
- Follow the A12 towards Normanston Park
- Turn left at the roundabout onto Normanston Drive (A1144)
- Continue to St Peters Street Roundabout to rejoin the A47 southbound

Traffic wishing to travel northbound will follow the same diversion as above, but in reverse.

A map of the diversion is enclosed.

Escort through the works

We have identified your property as one that may be directly affected by our work. We will help you leave and return to your property whilst the A47 is closed to other traffic.

Please keep a copy of this letter in your car and you will be escorted through the closure. Please be patient as you may have to wait until it is safe to escort you.

We would like to take this opportunity to thank you for your patience and apologise for any noise and disturbance caused by our work.
